

# E-Sound

Model:  
SD-150

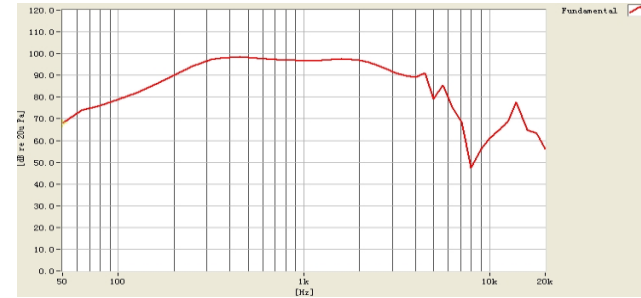

Picture:

Specification:

|                           |              |
|---------------------------|--------------|
| Model                     | SD-150       |
| Rated Voltage             | 1 mV         |
| Operating Voltage         | 10 mV        |
| Sound Output at 10cm (dB) | 97 dB        |
| Rated Impedance           | 150 Ohm      |
| Frequency Range           | 300 ~4000Hz. |
